Course Descriptions and Presenters

Prevailing Wage (*Experienced contractor*) – Intents and affidavits on line, completing and filing. Scopes of work and prevailing wage rates – where to find them and how they are set. Certified payroll and other information you need to know when working on a public works project. Presented by Beatriz Hart, Prevailing Wage Agent with L&I.

New Contractor Overview (*New contractor*) – Information on how to protect your contractor registration status: Model disclosure requirements, advertising as a contractor, exemptions, fraud reporting and violations. Presented by Dennis Yonker, Contractor Registration Technical Specialist at L&I.

Everything You wanted to know about your L&I Account (*New contractor*) - Learn what happens when you open your L&I account. What are risk classes and how are they assigned? Learn how rates are set and adjusted; how claims affect rates; what you can do to control your company's rates; and about the processes for filing your quarterly premium reports. Presented by Diane Doherty, Risk Manager, L&I.

Get Money Back from L&I – Say It's So! (*Experienced contractor*) - Yes, you can control and reduce your workers' compensation costs, and even get money back through the Retrospective Rating program! Learn tips and tools for your success, including hiring and training the right people for the right jobs; maintaining your accident prevention and safety plans; and appropriate and timely responses after an injury occurs. Find out about benefits, requirements and enrollment options for the Retro program. Presented by Ann Jarvis, Vice President of Safety & Education for Associated Builders and Contractors of Western Wa. (ABC), and a 30 year construction industry veteran, and Diane Doherty, Risk Manager with 19 years experience.

Managing Claims to Control Your Industrial Insurance Costs (*All contractors*) – Overview of the industrial insurance claims process for the new employer. We will help you understand your rights and responsibilities to protect workers from injury and what the processes are when an employee is hurt. "Light duty" and "return to work" opportunities, communicating with and getting the proper information to the claims manager and protest timelines and information. Presented by: Sue Callaghan, and Gary Delozier, Claims Unit Supervisors, Labor & Industries.

Overtime and Break Requirement (*Contractors with employees*) – Payment of minimum wage and overtime for hourly, piece rate and other payment methods. Exceptions from overtime, basic worker rights and an overview of the new provision in the Industrial Welfare Act on meal and rest periods for construction companies. Presented by Jim Ashcraft, Specialty Compliance Supervisor with L&I

What Safety Rules Apply to my Business? (*All contractors*) – Overview of Chapter 296-155 WAC – Safety Standards for construction work, resources, tools and related standards. Presented by Victoria Myles, Labor and Industries Safety Consultant.

Accident Prevention Plans / Safety (*All contractors*) – Learn how a viable and comprehensive accident prevention / safety program save you money. Tools to develop or fine-tune your accident prevention program and ideas to develop a "Safety Culture" in your workplace. Presented by Victoria Myles, L&I, Safety Consultant.

Hiring "Independent Contractors" in Washington State / Prime Contractor Liability (*All contractors*) – Learn your requirements and responsibilities when hiring "independent contractors". This course will help you understand when you must meet safety standards, pay workers' compensation premiums, meet wage & hour requirements and pay unemployment insurance. You will also learn about potential liabilities for your Sub-Contractors Workers Compensation premiums. Presented by Doric Olson of Labor and Industries and a team of experts from L&I and Employment Security.

State Taxes Sales, Use and B&O (*All contractors*) – Get your questions answered about use taxes, B&O filing and other useful information from the Department of Revenue. Presented by Linda Miller-Baldwin, Tax Payer Information Specialist with DOR's Taxpayer Education Section.

Course Descriptions and Presenters, continued

***Plumbing Contractors – What You Need to Know** (*All contractors*) – Proof of hours, what are the employer requirements, common causes that generate an audit and what is the difference between a trainee and an apprentice. Presented by Bruce Springer, Plumbing Technical Specialist, a 28 year journeyman plumber and 4 year veteran of Labor and Industries. (Plumbing Industry Related CEU course)

*** Electrical Licensing 101** (*All contractors*) – What electrical work can a general contractor perform and when must electrical work be subcontracted. What is "Grand fathering"? How do you file complaints? Presented by Faith Jeffery, Electrical Licensing Manager. (Plumbing Industry Related CEU course)

The Essentials of Small Business Planning (*New contractors*) – Practical approaches to small business planning and the importance of a business plan. Information will include key elements of a quality business plan and low or no-cost small business resources to assist you to start, run and grow your construction business. Presented by Paul Snare, SCORE Tacoma, with a 40-year career in the engineering and construction trades.

Cash Flow Management - Understand Your Business Financials: (*All Contractors*) Determine and anticipate the cash flow needs of your business so you don't run out of money. Learn how to use financial statements as a management tool. Presented by Paul Snare, SCORE Tacoma

Bidding, Estimating and the Bottom line (*New contractors*) - The crucial skills of bidding and estimating – know all the costs to make an accurate bid that will cover labor, supplies, taxes etc., to ensure you have a profit built into each bid. Presented by Bruce Weech, L&I Specialty Compliance Supervisor and 15 year construction industry veteran.

Construction Contracts – What You Should Know! (*All contractors*) – Learn the benefits and advantages of using written contracts, the necessary and optional provisions and clauses building and remodeling contracts require and when and how to seek legal help. Presented by Sage Linn, Attorney with LinvilleUrsich, PLLC.

Bid Preparation (*All Contractors*) This class is designed to instruct contractors on how to prepare bids when proposing a price to the Private Sector; Commercial Business Enterprises, and State and Federal Government entities with emphasis on submitting bids that fall within the competitive range. Topics such as, Overhead, Prevailing Wage, Profit and other contracting terminology will be discussed. Presented by Gary Trujillo of the Small Business Administration (SBA), a 20 year veteran with combined procurement, business and teaching experience.

How do I Protect Myself and My Business? (*All contractors*) – Why you should or should not form a corporation, an LLC, a sole proprietorship. Get tips and information on protecting yourself and your business from liability and the tax consequences. Also learn how and when to limit competition by using non-compete and non-disclosure agreements in your business. Presented by Seth Millstein, attorney with Linville Ursich PLLC.

Risk Management (*All Contractors*) - Controlling your workers' compensation costs involves many aspects of your business, from hiring and training the right people for the right jobs, to your accident prevention and safety plans, and appropriate and timely responses after an injury occurs. Presented by Diane Doherty, Risk Manager, Labor and Industries.

Job Site Safety Set-up and Your Weeklies? (*Contractors with employees*) – Toolbox talks and jobsite inspections – a "how-to" guide for contractors. Review of the basics of how to do weekly jobsite inspections and how to hold toolbox talks. Also, a discussion of online resources for these two activities as well as what has been identified as pertinent to the audit and meeting process. Learn what postings and documentation are required for your job site – for example – site safety plan, required postings, first aid and more. Presented by Brendan Clark, Assistant Safety Director for Associated General Contractors.

Green Building – What is it all about? (*All contractors*) - Learn more about Washington's green building programs and the advantages of going "green". Discover the established rating system that incorporates green building principles from start to finish. Green Building focuses on: energy efficiency; site and water considerations; indoor air quality; and materials selection to provide homes that are less expensive to own and operate, provide greater comfort, durability and are good for the environment. Presented by Jan Rohila, Education Director, BIAW

Effective Marketing for Contractors (*All contractors*) – Learn the differences between "marketing" and "advertising"; communication skills for the business owner; how to develop a business identity and use it effectively in advertising; and the advantages and disadvantages of the various forms of advertising. Presented by Jan Rohila, Education Program Director for Building Industry Association of Washington.

Tips on Handling the Difficult Customer (*All contractors*) – A discussion of common customer service issues, including common customer complaints received at the Better Business Bureau and tips on handling the difficult customer. Presented by Marcella Kallman, at the Better Business Bureau.

Plumbing Code Training – Part 1 – Learn common mistakes, code clarifications and how to save your company time and money. Presented by Bruce Springer, Plumbing Technical Specialist, a 28 year journeyman plumber and 4 year veteran of Labor and Industries. (Plumbing Code CEU course)

Plumbing Code Training – Part 2 – Current code, the UPC and Washington Amendments, highlights of recent code changes. Presented by Bruce Springer, Plumbing Technical Specialist, a 28 year journeyman plumber and 4 year veteran of Labor and Industries. (Plumbing Code CEU course)
